BOB AND LINDA SMITH

Bob and Linda Smith are excited about reconnecting with their good friends and former co-workers, Matt and Janie Mehaffey, by joining them and Alex and Erin Diaz in the planting of **The Pursuit Christian Church.**

Bob is saying goodbye to a 32 year long, successful and rewarding ministry in evangelism, outreach and missions at Traders Point Christian Church in Indianapolis, IN, while Linda is pleased to have retired after 32 years teaching music in the public schools.

With the goal of establishing a second campus of The Pursuit in 2008, Bob and Linda will locate themselves in a 55-plus gated condominium community with approximately 16,000 residents. Their ministry will be to reach out and help culturally diverse seniors find their way back to God, involving them in a style of ministry, worship and outreach unique to their age.

Three times in Bob's life he has clearly recognized the "call" of God on his life. The first, as a 19 year old, was to enter into full-time ministry. The second, as a 27 year old, was to leave his home church and move to Indianapolis where his gifts as a "God connector" for people of all ages and backgrounds became the trademark of his TPCC ministry. The third and just as exciting is this bittersweet call for him and Linda to leave Indy and accept the challenge of planting a church in Florida. The Smiths sincerely commit to "finishing well" the race set before them for the Glory of God and covet your prayers and financial support.

"Forgetting what is behind and straining towards what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus." Phil.3:13-14
